

6.1.1: Institutional Vision and Mission

VISION:

- ❖ To establish colleges imparting high quality education by creating requisite infrastructure complemented by state-of-the-art technology, making excellence, a natural inspiration, and to convert Navodaya Colleges as premier education hub.

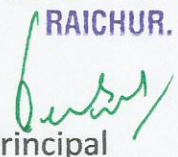

MISSION:-

- ❖ To create new benchmark in exemplary education driven by consistent commitment towards providing complete knowledge based solutions fostering total career enlightenment for student and personnel.

OBJECTIVES:-

- ❖ To make Navodaya Dental College a centre of academic excellence in teaching, research & community extension services. To provide a gradual learning curve in a student friendly learning environment.
- ❖ To build global competent dental surgeons empowered to excel in dental practice, community service and research.
- ❖ To provide optimum dental health care services to the underprivileged population of the society, To instill ethical and moral values among the students to create a compassionate and humane society.
