2. Dental faculty coordinator: Dr. Santosh Hunasgi, Principal, Navodaya Dental, College, Raichur

Venue: AV hall, Digital Library, NET, Raichur

Program Summary:

The speaker has enlightened on Multimedia Teaching which can enrich the content of classroom teaching and break the pattern of teaching "teacher-centered" and fundamentally improve classroom efficiency. Media can be used anytime and anywhere. For example, through images, video, text can support material sharing from teacher to student. YouTube will be a free video library for learners who will encourage them to become independent learners. YouTube is indeed not only an educational video site, but in its development, YouTube launched a special service for education in 2009. Also overviewed how to use Video Offline and Online.
