

2.5.4 The Institution provides opportunities to students for midcourse improvement of performance through specific interventions

INDEX SHEET

SL.NO	DESCRIPTION	PAGE NO
1.	List of opportunities provided for the students for midcourse improvement of performance in the examinations	1-10

Navodaya
Education Trust®
Navodaya Dental College
Raichur

**LIST OF OPPORTUNITIES PROVIDED FOR THE
STUDENTS FOR MIDCOURSE IMPROVEMENT OF
PERFORMANCE IN THE EXAMINATIONS**

**LIST OF OPPORTUNITIES PROVIDED FOR THE STUDENTS FOR MID COURSE IMPROVEMENT
OF PERFORMANCE IN THE EXAMINATIONS**

The following opportunities are provided to the students for midcourse improvement of performance:

1. TIMELY ADMINISTRATION OF CONTINUOUS INTERNAL EXAMINATION

The college prepares the examination schedules well in advance and informs the students about the schedules at the beginning of the academic year through the academic calendar. This enables the students to be aware of the examination dates and prepare for the examinations without any sudden surprise. The internal examinations are conducted thrice in a year as per the Academic Calendar.

2. ON TIME ASSESSMENT AND FEEDBACK

Answer sheets will be evaluated by the concerned faculty on time and the marks will be published to students within 7 working days. The papers are given back to students for feedback and to self-analyse for their mistakes. Later papers are taken back and discussed with the students for better improvement. The students are also assessed on regular basis through Viva Voce and clinical work on patients.

Dr. GIRISH KATTI M.D.S.
PRINCIPAL
NAVODAYA DENTAL COLLEGE
RAICHUR-584 103.

3. MAKE UP ASSIGNMENTS/ TEST

Students with difficulty in performance, who are considered as slow performers are made to write assignments on the previous 10 years examination papers to enable them in knowing the subject. Regular monthly assessments are given to be submitted in time and viva will be conducted last week of every month. Midcourse improvement retests are also conducted in the pattern similar to university examination so that students are well prepared for university examinations.

4. REMEDIAL TEACHING AND SUPPORT

Remedial measures are included for slow learners after the first internal assessment. Remedial/extra classes and group discussions as per time table for each subject for half an hour, beyond regular theory classes will be scheduled. Library hour for students is also scheduled with unlimited access to books along with the staff in-charge. Group discussions on difficult topics will be conducted once in a week. Complete revision of portions will be done before university exams by scheduling as final exam preparation tests by divided the full portion into three portions. Followed which model examination will be conducted to all the students one week before university examination.

A handwritten signature in green ink, appearing to read 'Girish Katti', written over a blue horizontal line.

INTERNAL ASSESSMENT EXAMINATION
(Accredited with 'A' Grade by NAAC)

Department of DAOH

Name : Deepa G.B No.: 17-3-2021

Roll No : 14

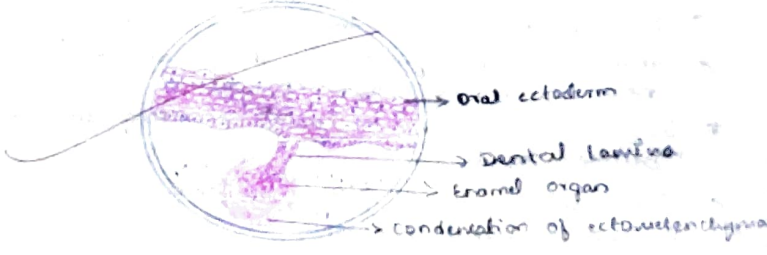

Subject : DAOH **ANSWER SHEET** K. Katti

Invigilator : Ritesh No. of Sheets Used

I
1) Morphological stages of tooth development
In tooth development it occur in 4 stages

- 1) Bud Stage
- 2) Cap stage
- 3) Early bell stage
- 4) Advanced bell stage

1) Bud stage

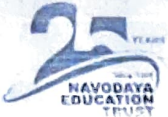

- * In this stage the tooth germ appears like a bud hence it is called 'Bud Stage'
- * From the oral ectoderm Dental lamina arises +
- * Then it forms enamel organ
- * Condensation of ectomesenchyme occurs
- * In enamel organ peripheral cells are cuboidal or low columnar cells & central cells are polygonal cells
- * Dental papilla which enclose by invagination of enamel organs which is ectodermal in origin
