Minutes of meeting

The physical and infrastructure committee meeting was held at 2pm to 3pm in the board room.

The chairperson of the committee presided over the meeting at the board room.

- The complaints from the different departments were reviewed and forwarded to the concerned authority and the following matters were discussed and addressed.
- Request for repair of waste water pipes, repair and replacements of water taps, request for plumbing works in different departments was reviewed and was directed to submit it to the concerned authorities for further action.
- A detailed discussion was held on the issue of request for rubber mats by the department of conservative dentistry .the committee discussed the different options available in selection of rubber mats and also dealt in detail , the advantages and limitations of each of the options available. The chairperson gave the valuable inputs regarding the need for rubber mats below the dental chairs which is being placed on newly laid tiles in the department. And also emphasized the urgent need of the mats in order to prevent the tiles from getting damaged. Mr. Jeswin, the maintenance engineer was directed to look into the matter.
- The members discussed the request for new locks for the cupboard in the department of oral medicine and radiology and orthodontia, Mr. Jeswin, maintenance engineer was directed to do the needful and hand over the spare keys to the respective HODs.
- A detailed discussion was held on the matter of allowing the students to work till late evenings in the dental labs of conservative dentistry and prosthodontia departments. The request was approved by the principal and the chairperson of the maintenance committee directed Mr. Jeswin to lock the labs after the permitted time slot.

Engineer Mr. Jeswin, gave a detailed report on the work completed with regard to complaints/ request letters received from the departments and submitted the log files related to maintenance work for the perusal of the chairperson and the members.
