Annexure 2.pdf

text

We refer your email dated 31st December 2020 regarding the payment for the services rendered to your institution.

As per your Email, you have mentioned that there was no service provided by us since March 2020, which is not true.

Please find attached the list of work done for the year 2020-2021 in **Annexure 1**.

Please note that the invoice Number 114 dated 17th March 2020 for Rs.6,50,000/- is for third year ie, 2019-20. We have already given 25% discount in our earlier third year invoice number 73 dated 31-10-2019.

Please find attached the invoice and payment received details in **Annexure 2**.

We can defer the fourth year service to fifth year starting from 1st February 2021 to 31st January 2022.

PRINCIPAL
Navodaya Dental College,
RAICHUR

4 PM
We have already incurred an expense of Rs.2,60,000/- toward the payment of salary to onsite resource, ID card printing and SMS Charges during the year 2020-21.

Sharath an (sharath.am@navodaya.edu.in)
So we request you to arrange to clear the payment of Rs.9,10,000/- (Rs.6,50,000/- and Rs.2,60,000/-) within seven days from the date of this email.

Thank you,

Regards

For VHIRE4U

2. The company should provide the services for the campus management, inclusive of Software and hardware

- a. The Company will provide the ERP software for the campus management of all colleges under NET (as detailed in Annexure A), Raichur.
- b. The Company will install a dedicated Server for the ERP solutions along with 10 biometric devices and required software apart from existing Devices which NET is providing.
- c. The Company will be only providing 1, 00,000 SMS free every year during the agreement period.
- d. Uploading of all the data like students and staff details is with Company; however the colleges will co-operate by providing required data in the required format.
- e. Every fortnight a printed status report on use of the devices and software by all the colleges should be given to Hon'ble Chairman for review.
- f. One onsite support person from the Company should be present in the NET campus daily to give the updates, uploading of the data and to sort out any bugs and glitches ASAP.
- g. The student's details include name, course, batch, subjects he/she has to study, lecturer for the concern subject, attendance, Hostels details, Canteen/Mess details etc.
- h. Daily printouts of student's attendance and Staff attendance will be given to the heads of the institutions will be Company's responsibility. Stationeries for this activity like, Paper and toner, are borne by company.
- i. The Company will issue the RFID cards for all the students and faculties, irrespective of the numbers. The Company will also issue new cards for any lost card, against the receipt of Rs.250.
- j. All the maintenance of the devices will be the Company's responsibility during the pendency of the current agreement

2. The following are the obligation of the NET:

- a. NET will permit to access its existing infrastructure of LAN connection and RFID readers available in the NET's college. NET will not provide any extra facilities.
- b. NET will co-operate by providing relevant data required to upload.
- c. NET will also provide space to the Company to setup the server, printer and office for resident support person.
- d. NET will collect the charges for lost cards on behalf of the company and will be paid eventually.

3. Contract Terms:

- a. The contract is for the period of 4 year with NET, Subject to satisfactory performance of which is reviewed after the completion of the second year.
- b. The continuation of the service after second year is only if service is satisfactory every year henceforth.

4. Payment Terms:

- a. NET will be paying the flat rate of Rs. 17, 00,000/- (Inclusive of all Taxes) for the first year and Rs. 13, 00,000/- per year (Inclusive of all Taxes) for the next three years.
- b. Payment for the agreed amount in first year will be as follows:
 - i. 50% of the agreed amount i.e. Rs. 8, 50,000/- will paid in advance, up on signing of the contract.
 - ii. 25% of the agreed amount will be paid after 6 months.
 - iii. The remaining 25% amount will be paid at the end of the year.
- c. Payment for the agreed amount, i.e Rs 13,00,000/- for the second, third and fourth years respectively will be paid as follows:
 - i. 50% of the agreed amount in the beginning
 - ii. Remaining 50% of the agreed amount after 6months.

Executive Summary

The purpose of this document is to give a brief overview of **CAMPUS MEDICINE** – A Healthcare multi Campus Management Solution. Its objectives, advantages to various stakeholders of the Healthcare campuses eco system (Management /Promoters, Director/ Dean/ Principal/ HOD, Faculty, Students and Parents) and an integrated approach for implementing **CAMPUS MEDICINE** at Deccan **NAVODAYA EDUCATION TRUST'S GROUP OF INSTITUTIONS (NET's GI), Raichur.**

This document presents the action plan proposed by **CAMPUS MEDICINE** to meet the needs of **NET's GI, Raichur.** The group requires an unified multi Institutional management ERP for managing their campuses efficiently with a specific need for having individualistic log-ins for multiple stake holders, especially for Parents and Student where they have firsthand information regarding student's attendance, academic progress etc. The implementation must meet international standards and provide excellent Management Information System for the management stakeholders.

CAMPUS MEDICINE is a company experienced in this field, committed and dedicated that **NET's GI,** can depend on to receive the highest quality of solution implementation. **CAMPUS MEDICINE** with its rich experience in web-based application with workflow-based requirements would definitely be able to provide necessary services to complete the project within the stipulated period. By virtue of having built competencies in the Healthcare Education space through products & services, **CAMPUS MEDICINE** could help **NET's GI,** to gain cost advantage and a branding edge in the Healthcare education market-space with improved overall management and efficient operations.

CAMPUS MEDICINE Features - Deliverables

CAMPUS MEDICINE modules and features for NET's GI, will be implemented with the deliverables/modules/functionalities as detailed below:

- **University/ College/ Department setup module**
 - University details setup, Multiple Institute information setup, Course/ Subject wise department setup across each institute, Department wise HOD/ Faculty/ Non-teaching staff setup, Designation and Role Based access is available for department/ faculty information.
- **Academic Calendar Management**
 - Academic Calendar setup module manages the various academic events such as Academic Year Start and End Date definition, Semester/Year based assignments, Regular/Odd batch creation, College Timings and Working Days setup.
- **Admission Management**
 - Student admission check list, Course allocation, Roll No. generation, hostel & transport allocation, Admission check list, Access Credentials, ID cards generation.
- **Classroom Management**
 - Classroom Master Setup of Lecture Halls, Seminar Halls, Labs, which can be integrated with Student/Faculty attendance module. Course/Semester/Year wise Class Room grouping
- **Subject Management**
 - Subject Category (Theory, Practical, and Clinical) setup, Course/ Semester/ Year/Department wise Subject Master Setup.
- **Timetable Management**
 - Master Time Table Setup, Department Time Table Setup, Interns and PG Postings, Class Room Setup, Period Timings, Break/Recess, Vacation definition. Also provides faculty allocation, substitute faculty allocation.
- **Designation and Hierarchy Management**
 - Organization Chart based Hierarchical setup, Designation and Role Based access, Rights and Privileges Management.
- **Faculty Allocation / Abeyance session Management**
 - Facility to allocate faculties for respective subjects as per timetable, allocation of substitute faculty on the event of leave, approval of abeyance session and report on unhandled sessions.
- **Student Information Records System**
 - SIRS comprehensively captures details such as student profile, Address, contact numbers, email ids, recent photograph /past academic records etc and maintains.

M. Md. Tariq

PPRINCIPAL
Navodaya Dental College

- **Employee Information Records System**
 - EIRS comprehensively captures details on Faculty/Employee profile, Address, contact numbers, email ids, recent photograph /past academic, work experience records, and are maintained.
- **Student Attendance Management**
 - Student Attendance management includes Theory, Practical & Clinical Posting Attendance. Biometric Interface (at additional cost, which will be estimated separately) and Manual attendance inputs are supported. Real time class-to-class/ daily/ weekly/ monthly/ semester/ yearly reports available. Real time reports on student/ parent/ faculty/ management dashboards. Soft or hard reports can be generated in a number of different formats (.doc, .xml, .csv, .tif, .pdf, .xls, web archive). Data can be mined on different parameters for individual / class/ year/ college.
 - Daily SMS and E-mail Alerts on attendance short falls for both subject wise and average attendance for different stakeholders. The periodicity could be configured.
- **Student Leave management**
 - Facility for parents and students to apply online for leave-request and forward it to the concerned authorities for consideration/approval. Status is updated and archives maintained on all relevant stakeholder dashboards.
- **Faculty Attendance Management**
 - Facilitating better staff allocation, total and average time spent in the class/sessions, staff productivity and management. Biometric attendance is supported as additional scope.
- **Faculty Leave Management**
 - Facility for online leave application and approvals. Status updated on relevant dashboards. Facility for integration with HR, MIS and payroll applications.
- **Holiday Calendar Setup**
 - Annual Academic Holiday setup, Course/Year/ Semester wise Additional Holiday setup.
- **Exam Management**
 - Course/ Semester/ Year wise Exam schedule setup, result classification setup
 - Exam Result announcement on individual Student Dashboard.
- **Promotion Management**
 - Taking into considerations of multiple factors, the promotion of students is managed.
- **SMS/E-mail Alerts Integration**
 - Student Attendance integrated with SMS/e-mail alerts. A separate setting module is available for activation/ deactivation and delivery frequency setup for SMS/e-mail. (Bulk SMS service needs to be procured by the Client)
