

ACTION TAKEN FOR THE YEAR OF 2023-24

The organization has a structured feedback system. IQAC has developed a feedback perform. The Performa will be provided to students, teachers, alumnae and employers. This printed Performa is collected by on regular basic. The institution collects feedback from students, teachers, alumini and employers for constant development in curriculum improvement and fortification.

These inputs are gathered in a structured feedback form after the conclusion of each learning program checkpoints. The institution's head and the IQAC analyze them on a regular basis during meetings, and corrective action is implemented. The records of such feedback and subsequent action are maintained, along with the actions that followed.
